— 01 KO WAI MĀTOU · WHO WE ARE

Fourteen years of mahi, grounded in whanaungatanga

KYDT is an **MSD-Accredited Level 2 Service Provider** with 14+ years delivering mentoring and support services to at-risk youth — both male and female — on the North Shore.

We are contracted by **Oranga Tamariki** and funded by the **Lotteries Commission** and the **Lion Foundation**, who meet most of our operational running costs.

— 02 Ā MĀTOU MAHI · WHAT WE DO

One rangatahi, one mentor, one relationship at a time

Local schools report rising numbers of students facing anxiety, family dysfunction, substance abuse, truancy and violence. KYDT engages **80+ at-risk youth every year**, pairing each one with a positive adult mentor and building life skills, employment-readiness and whānau support.

- 3 **Reach further** — satellite offices across the North Shore
